

Decree for Prosperity

You **must** say these opening statements before the decree:

By divine decree, in the name of God / Goddess / Source / Divine...

{please use your preferred name for the Divine}

Under the Law of Grace, and from my I AM presence...

I command that I am immediately unplugged, freed and released on all levels of my being from the illusion of lack, scarcity and limitation, in this and all lifetimes, and across all dimensions, space, time and realities.

I command that all the money that is here for me and wishes to be with me, manifests into physical form in perfect ways, with love, joy, speed and ease.

I command that all the gifts, blessings and opportunities that the Universe has for me, be delivered to me now in perfect ways, with love, joy, speed and ease.

I command that all of the highest divine ideas and inspiration that will help me create a life of pure prosperity, be downloaded to me now with love, joy, speed and ease.

I command that the floodgates of abundance are thrown open to me, and waves of money flow to me now, with love, joy, speed and ease.

Decree for Prosperity

I command that I am immediately and permanently reconnected and realigned to my true Source of all abundance.

I command that I am immediately and permanently restored to my highest divine state of abundance and financial prosperity, energetically *and* physically.

I command that any reversals, blockages, barriers or other limits to my financial prosperity are immediately cleared and corrected, and that my full flow of money from Source is activated and enabled now.

I command that any energetic leaks or drains in my bank accounts and all other aspects of my finances, are immediately and permanently repaired, and sealed with Diamond Light from Source.

I command that my bank accounts, my business and all other financial accounts and dealings are permanently filled with and held in the highest divine frequencies of abundance, plenty, wealth and prosperity.

Decree for Prosperity

I command that all energies, entities, beings and thought forms that are restricting, sabotaging, damaging, interfering with or draining my financial flow in any way, are *immediately* removed from all of my financial accounts and affairs, permanently and to infinity, across all dimensions, space, time and realities.

I command that all these energies, entities, beings and thought forms are prohibited from ever interfering with or negatively affecting my financial flow again in any way, on any level, in any lifetime, and across all dimensions, space, time and realities.

I command that all these energies, entities, beings and thought forms are immediately replaced with Diamond Light from Source and with the highest divine frequencies of wealth, abundance and prosperity.

I command that any outstanding monies owed to me from all lifetimes are restored to me now in my current incarnation, with love, joy, speed and ease.

I ask for divine dispensation to be permanently released from all unpaid debts and financial karma I have incurred in any and all lifetimes, including this one, under grace.

Decree for Prosperity

I command that I am released from all energies, thought forms, patterns, programs and consciousness of 'owing' and 'debt', in this and all lifetimes, and across all dimensions, space, time and realities, permanently and to infinity.

I call for divine assistance with the complete, safe and permanent removal of all energetic implants, devices, systems and structures that are keeping me in any type of debt, lack or other financial limitation.

I command that these are immediately and permanently replaced with Diamond Light from Source, holding the highest frequencies of prosperity.

I command that all monies I have ever lost, forgotten, misplaced, or were taken, stolen, destroyed or confiscated from me in any and all lifetimes, are restored and repaid to me now in physical form in my current lifetime, with love, joy, speed and ease.

I command that all monies I have ever repelled, refused, rejected, declined, dismissed, destroyed or deleted in any and all lifetimes, are restored to me now in physical form in my current lifetime, with love, joy, speed and ease.

Decree for Prosperity

I permanently clear, cancel, delete, destroy, rescind and retract all vows, oaths, agreements, curses and contracts I have ever made or am being held in, across all dimensions, space, time and realities and in all lifetimes; that are in any way limiting, blocking, reversing or sabotaging my natural flow of divine riches from Source.

I request that I receive the highest guidance as to any physical changes I need to make in my financial affairs, my business and my environment, to help restore my highest financial prosperity.

Thank you...and so it is.
